"Long, Straight, Curly, Fuzzy"

In June 2010 Sedos brings peace, love and understanding to the Bridewell with a new production of HAIR. From 1967 to today, HAIR has brought joy to theatres across the world with songs including *Aquarius*, *I Got Life*, *Hair*, *Frank Mills*, *Good Morning Starshine* and *Let The Sun Shine In*.

"Knotted, Polka-dotted, Twisted, Beaded, Braided"

HAIR broke the mould in the 60s – the rock-musical phenomenon had arrived. Rejecting the conventions of traditional musicals, HAIR gave a theatrical voice to important issues of the time – racism, sexuality, drugs and Vietnam. HAIR became a beacon of hope to a disaffected generation and has continued to inspire audiences ever since.

"Bangled, Tangled, Spangled and Spaghettied"
